Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

May 15, 2017 - Eternity Healthcare Inc.' a Nevada Corporation (OTCBB: ETAH) (the "Company"), today announced that two board members have resigned. Mr. Dominique Borrelly and Mrs. Bin Huang have provided their resignation to Dr. Hassan Salari, Chairman, CEO and Board member. At the board meeting, our directors and sole officer considered their resignations, fiduciary duties and general circumstances and reasons for the resignations, including the actions undertaken over the past years to manage, oversee and monitor the Company's business in such difficult and adverse conditions. Both members expressed their concerns on the financial status of the Company and its future ability to compensate the board members, any required consultants and the general operation of the Company. Having a healthy financial balance sheet is important and if not addressed properly may cause the delay in product development, delay in regulatory approval, or total insolvency. However, the management believes it has several options to consider. These include rights offering to current shareholders, merger & acquisition or the Company ceasing its reporting obligations all together and/or operating as a private company.
